Dear **Brother EAGLE SCOUTS**:

Fraternal Greetings!

**After having an on-line survey regarding the Conclave schedule and venue, the Eagle Scouts Association of the Philippines will be conducting its 1<sup>st</sup> ESAP NATIONAL CONCLAVE on 15-17 May 2009 at the Leyte Park Hotel, Tacloban City to be hosted by ESAP-Leyte. With its theme, "EAGLES' DREAM FOR TOMORROW'S YOUTH", this will be attended by our brother Eagle Scouts who became professionals, businessmen, government officials, politicians, including students from the different Councils in the country.**

We have lined-up some activities to make your stay memorable and enjoyable.

A Registration Fee of only **TWO THOUSAND FIVE HUNDRED PESOS Pesos (PhP2,500.00)** shall be collected to cover Food and Hotel Accommodations including activity expenses and souvenir items. Transportation from the point of origin to the Conclave venue and back shall be shouldered by the participants. The registration fee is very minimal. Other expenses will be shouldered by the host ESAP.

In this regard, you are cordially enjoined to attend the said Eagle Scouts Conclave. We encourage our brother Eagles to confirm attendance **on or before 30 April 2009**. This will enable the Host ESAP to determine as to what extent the preparation would be. Hotels might not accept anymore reservations beyond our confirmation deadline. This is also to give you ample time to save and prepare for your attendance especially on the financial aspect. It has been observed that other Eagle Scouts could not attend meetings like this and other gatherings due to problems on short-term preparation for fees and transportation expenses.

In this gathering, we will discuss on its ESAP Enrichment Program and give emphasis on the objectives and role of ESAP in the Scouting Movement, boosting the morale of the organization, and to be able to present some ideas for the future of ESAP and the aspiring Eagle Scouts in the country. This will include our assignment on the forthcoming Asia-Pacific Regional Jamboree. We believe that with your commitment to the Scouting Movement and to the Eagle Scouts Association of the Philippines, we will be able to realize a dream we thought is impossible.

Please confirm your attendance through our email address: **esap\_ako@yahoo.com** or you may send your confirmation message to:

We are looking forward to see you at the Conclave.

Fraternally yours,
