

# Scout Songs

---

*Compiled by Leonides T. Son*

## **A Little Love**

A little love that slowly grows and grows,  
Not one that comes and goes,  
That's all I ask of you.

A sunny day to look up to the sky,  
A hand to help me by,  
That's all I ask of you.

Don't let me down,  
Oh, show me that you care,  
Remember when you give,  
You also get a share.

Don't let me down,  
I have no time to wait,  
Tomorrow my not come,  
By then will be too late.

## **Ang Tenga**

Kung ang tenga mo'y lay lay  
At kakampay-kampay  
Itali mo ng sinulid  
Sa dulo ng palaso  
Isampay sa balikat  
Tulad ng isang Iskaut  
Kung ang tenga mo'y lay lay.

## **Commitment Song**

I'll give my hand  
To those who cannot see  
The sunlight or the falling rain

I'll sing my song  
To cheer the weary along  
For I may never pass this way again.

I'll share my faith  
With every troubled heart  
So I shall not have live in vain

I'll give my hand, I'll sing my song  
I'll share my faith, Because I know  
That the time has come  
To fulfill each vow  
For I may never pass this way again.

## **Everything Together**

We can do everything together  
Everything together for the boy  
There's nothing we can never do  
Never can do anything at all  
We can solve many different problems  
If we work together for the boy.

All our troubles will vanish away  
And we'll have a brand new day.

All our troubles will vanish away  
And we'll have a brand new day.

**Follow Me Boys**

There's a job to do, there's a fight to win  
 Follow me boys, follow me  
 And it won't be done till we all pitch in  
 Lift your chin with a grin and follow me.

*Chorus*

Follow me boys, follow me  
 When you think you're really beat  
 That's the time to lift your feet  
 And follow me, boys, follow me  
 Pick them up, put them down and follow me

It's a long long climb but we've got the will  
 Follow me boys, follow me  
 When we reach the top and its all down hill  
 Till you dropped don't stop and follow me

There the journey's end is beyond our sight  
 Follow me boys, follow me  
 If we do our best, then we've all done right  
 Pack your load, beat the road and follow me.

**Guide a Boy**

Never walk through the world all alone,  
 Never leave all the paths you have trodden.  
 Every day is a bright new tomorrow,  
 Yesterday must not be all forgotten.

Everything will look bright if you smile,  
 Never frown at mistakes of others.  
 Make them feel everything will be worthwhile,  
 If you live in this world like a Scouter.

The boys are all hoping and wishing that you  
 Will guide them on their way.  
 So give all you've got, never leave anything,  
 True love is found in Scouting.

So walk with the boy in your hand,  
 Guiding him through the path full of sunshine  
 Never leave any path still untrodden,  
 Never leave any stone still unturned.

**Hail, Hail, The Gang's All Here**

Hail! Hail! The gang's all here  
 Never mind the weather  
 Here we are together  
 Hail! Hail! The gang's all here  
 So let the fun begin right now

*Repeat*

Smile, smile spread that smile  
 Never mind your temper  
 Here we are together  
 Smile, smile spread that smile  
 Spread that smile together now

**Happy All the Time**

I'm inward, outward, upward, downward  
 Happy all the time  
 I'm inward, outward, upward, downward  
 Happy all the time.

Since Scouting came to me  
 And show me all these skills  
 I'm inward, outward, upward, downward  
 Happy all the time.

(leftward, rightward, backward, forward)

**Here We Are Again**

Here we are, here we are, here we are again  
 Here we are, here we are, here we are again  
 Hello, hello, hello, hello, hello, Hey!

We are the Boy Scouts, jolly good group  
 We are the Boy Scouts, jolly good group  
 We are the Boy Scouts, jolly good group  
 Jolly, jolly, jolly, jolly, jolly good group

**Hike Along**

Hike along, hike along,  
 Hike along with heart so gay  
 Hike along, hike along,  
 The Boy Scouts are on their way.

We pitch our tent  
 And cook our chow  
 The Boy Scouts are on their way.

Never mind the weather  
 Here we are together  
 The Boy Scouts are on their way.

**I Used to be a Cookoo**

I used to be cookoo  
 A good 'ol cookoo too  
 But now I've finished cookooing  
 I don't know what to do  
 I'm growing old and feeble  
 And I can't coo no more  
 So, I'm going to work my ticket if I can  
 Back to Gilwell happy land  
 I'm going to work my ticket if I can  
 Back to Gilwell happy land  
 I'm going to work my ticket if I can

*Replace Cookoo with your Wood Badge Animal  
 Replace Gilwell with Makiling*

**I Want to Know**

I want to know you more, A little bit more  
 I want to know you more, A little bit more  
 I want to know you more, A little bit more  
 A little bit, a little bit, a little bit more

Everybody dance  
 Everybody clap

**I'm Going Back Home**

I'm going back home, to Mt. Makiling  
 Where the sunshine never fades.  
 I'm going back home, to Mt. Makiling  
 Where the sunshine never fades.  
 I miss the sunshine, I miss the rain,  
 I miss the moonlight on Scouter's lane.  
 I'm going back home, to Mt. Makiling  
 Where the sunshine never fades.  
 Hail, hail to you! (Hail to you!)  
 Hail, hail to you! (Hail to you!)  
 When I look at, look at you  
 When you look at, look at me  
 Keep your smile and hail to you.  
 I'm going back home, to Mt. Makiling  
 Where the sunshine never fades.

**I'm Happy When I'm Hiking**

Tramp, tramp, tramp, tramp  
 Tramp, tramp, tramp, tramp  
 I'm happy when I'm hiking,  
 Pack upon my back  
 I'm happy when I'm hiking,  
 Off the beaten track  
 Out in the open country,  
 That's the place for me  
 With a good Scout friend,  
 To the journey's end  
 Ten, twenty, thirty, forty, fifty miles away  
 Tramp, tramp, tramp, tramp  
 Tramp, tramp, tramp, tramp

**In My Dreams**

When in the glow of a fire burning low  
 There are moments I recall  
 Back to my mind come the days far behind  
 And the time that hold me over all

Then the years fade away and again I stray  
 To paths of a brighter hue  
 Where boy's voice ring, where Youth is King  
 And the skies again are blue.

In my dreams  
 I'm going back to Gilwell  
 To the joys and happiness I've found  
 On those grand weekends  
 With my dear old friends  
 To see the training ground.

Oh the grass is greener back in Gilwell  
 And to breathe again that Scouting air  
 And in memories, I see B.P.  
 Who never will be far from there.

**Iskauting ang Sandigan**

Iskauting ang sandigan di magigiba  
 Iskauting ang sandigan di magigiba  
 Kasing tatag ng kabundukan di magigiba

**I've Got that Scouting Spirit**

I've got that Scouting Spirit  
 Up in my head, up in my head, up in my head  
 I've got the Scouting Spirit  
 Up in my head, up in my head to stay.

*B.P. Spirit*

*Deep in my Heart – Down on my Knee – Down on my Toe –  
 All Over Me*

**Kung ang Ulan**

Kung ang ulan ay malapot na sorbetes  
 O kay sarap ng ulan  
 Kung ang ulan ay malapot ng sorbetes  
 O kay sarap ng ulan  
 Ako'y lalabas at ako'y nganganga  
 Ah! Ah! Ah! Ah! Ah! Ah! Ah! Ah! Ah!  
 O kay sarap ng ulan

**Makiling, You're for Me**

Makiling, you're for me  
 Makiling, you're for me  
 I know a place where every Scouter's go  
 Where there is fun and hearts are all aglow  
 It overlooks the bay as it rises to the sky  
 Where moon beams flirt with dew drops  
 As the breezes sigh  
 God feeds the soul, the body, and the mind  
 Scouting Ideals are never hard to find  
 Now I know, Makiling is the place for me

Makiling, you're for me  
 Makiling, you're for me

I can't imagine, myself as in a dream  
 Climbing the mountains and down the small ravine  
 The magic of its peace and quiet always shall stay  
 To make this place a heaven, each and everyday  
 Oh, how I wish I never have to leave  
 All of my life such beauty to receive  
 Now I know, Makiling is the place for me

Makiling, you're for me  
 Makiling, you're for me

**O Pag-Ibig**

O pag-ibig at pagsintang tunay  
Na tangi kong taglay  
Sa iyo'y iaalay.

Lingapin mo  
At pag-asa'y bigyan  
Ang abang puso ko  
Sa iyo'y nagmamahal.

Huwag mo sanang  
Hayaang magdusa  
Pag-ibig sa akin iyong ipadama  
Tandaan mo ang pag-ibig ko  
Tanging iaalay  
Sa iyo aking mahal.

**On My Honor**

On my honor, I'll do my best,  
To do my duty to God,  
On my honor, I'll do my best,  
To serve my country as I may.  
On my honor, I'll do my best,  
To do a good turn each day.  
To keep my body strengthened,  
And keep my mind awakened,  
To follow paths of righteousness,  
On my honor, I'll do my best.

**One Little Candle**

It is better to light  
Just one little candle  
Than to stumble in the dark  
Better far than to light  
Just one little candle  
All you need is a tiny spark  
If we'll all say a prayer  
That the world would be free  
The wonderful day  
Of a new dawn we'll see  
And if everyone light  
Just one little candle  
What a bright world this would be.

**Red River Valley**

From this valley they say you are going  
We will miss your bright eyes and sweet smile  
For they say you are taking the sunshine  
That brightens our paths once a while.

Come and sit by my side if you love me  
Do not hasten to bid me adieu  
But remember the red river valley  
And the brother that loved you so true.

**Si Lola**

Si lola ay nagbalikbayan  
May dalang paypay galing China  
Si lola ay nagbalikbayan  
May dalang paypay  
May dalang paypay  
Si lola ay nagbalikbayan

*Bakya – Japan*  
*Hula Hoop – Hawaii*

**Sing Your Way Home**

Sing your way home  
At the close of the day  
Sing your way home  
Drive the shadows away  
Smile every mile  
For wherever you go  
It will brighten your road  
It will lighten your load  
If you sing your way home

**Special Day**

Fill the air with songs of cheer  
 With voices loud and clear  
 For people around you  
 Are scouts who loves you  
 Love you in a special you  
 And so before we say goodbye  
 Give us your great big smile  
 Brighten up, let's all be gay  
 It's a very special day  
 Brighten up, let's all be gay  
 It's a very special day

**There's a Hole**

There's a hole in the bottom of the sea  
 There's a hole in the bottom of the sea  
 There's a hole, There's a hole  
 There's a hole, There's a hole  
 There's a hole in the bottom of the sea

*Log, Branch, Twig, Leaf, Nest, Egg, Bird, Feather, Ant*

**We Sang Last Night**

We sang last night  
 We sang the night before  
 And we're going to sing tonight  
 Life we've never sang before  
 For when we're singing  
 We're happy as can be  
 For we are from the BSP  
 Bo-bo-bo-boom  
 Bo-bo-bo-boom

*Danced, Ate, Camped*

**We're All Together Again**

We're all together again  
 We're here, we're here  
 We're all together again  
 We're here, we're here  
 For who knows when  
 We'll be all together again?  
 Singing all together again  
 We're here, we're here

**We're On The Upward Trail**

We're on the upward trail  
 We're on the upward trail  
 Singing as we go  
 Scouting bound

We're on the upward trail  
 We're on the upward trail  
 Singing, singing everybody singing  
 Scouting bound
