---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

## Requirement 2

From actual observations, tell about the following:

- How many species of birds you have observed in your neighborhood, or in a farm nearest to your home.

Location of Your Observation: \_\_\_\_\_

How many species of bird you have observed: \_\_\_\_\_

- What species disappear during certain seasons of the year, and when they disappear.

Bird Species	Season of the Year	When They Disappear

### Requirement 3

- a. Give the common names in English (or your native dialect) ten (10) birds you have personally observed.
- b. Tell where you observed them.
- c. Tell something about the size, coloring, habits, nesting, and general movements of each bird.

Name of Bird	Where Observed	Size	Coloring	Habits	Nesting	General Movements
1.						
2.						
3.						
4.						
5.						
6.						
7.						
8.						
9.						
10.						

**Requirement 4**

- a. Give reasons why birds need protection, especially the endangered Philippine Eagle.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

- b. Tell how birds are protected in the Philippines.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

Scout Name \_\_\_\_\_ Unit # \_\_\_\_\_ Date \_\_\_\_\_

c. Tell how bird protection is enforced in this country.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

d. Tell why schools and similar entities should help disseminate information on bird protection.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

Scout Name \_\_\_\_\_ Unit # \_\_\_\_\_ Date \_\_\_\_\_

e. Tell what you have done to persuade others not to destroy bird life.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

Show evidence of some constructive piece of work done to extend protection to bird life in the Philippines.  
(Attach photos of such evidence)
