

Scout Service Rank

Worksheet by the Merit Badge Center, Philippines

Last Updated: March 27, 2021

This worksheet was created to assist Scouts with their Advancement Rank. The worksheet does not replace the actual advancement process. Troop leadership must still certify your completion of each requirement and the rank. If a requirement says that you must take an action using words such as “discuss”, “show”, “tell”, “explain”, “demonstrate”, “identify”, etc. that is what you must do. **Troop leadership may not require the use of this worksheet or any similar material.** No one may add, subtract, or modify the official requirements as prescribed by the Boy Scouts of the Philippines.
